

PORCH
PARTNER

Recurring donations offer stability and allow us to plan ahead. When we know a donation is on the way, it helps us make a promise to a homeowner we can keep.

Become a Porch Partner by donating monthly.

As a Porch Partner, you choose the amount you give. It's donated automatically each month or on the time-frame you choose. You maintain control of your donations through a donor account, which lets you stop or change your gift anytime.
